Declaration for Information Obligation

(Data Privacy Statement)

The protection of your personal data is a major concern for us. We process your data solely in accordance with government regulations (data protection regulation (DSGVO) and telecommunication law).

In this data privacy statement we inform you about the most important aspects of data processing within our website.

Contact

If you like to contact us via the form on our website or via email, be aware that your data get stored for 6 months due to processing needs regarding your request or for follow-up questions. We won't publish these data without your permission.

Use of cookies

This website uses cookies. These are small (text or image) files that are downloaded from your visits to this website onto your computer and stored locally. They don't cause any harm. They allow our website and external service providers to store your activities and the number of your visits to the sites. The data that is stored by cookies helps us and external service providers in offering you an even better online experience. Some cookies get saved on your device, until you delete them. Saving these cookies on your device helps us to recognize your browser by your next visit. First- or third-party cookies are used on our sites.

If you do not want to have certain types of cookies installed on your computer, you can set your Internet browser so that it either informs you about the placement of cookies or does not allow cookies at all. The cookies can be reactivated in the same way.

Disabling cookies may lead to some functions when browsing this site to become disabled.

Web-Analyse

This website uses Google Analytics, a web analytics service provided by Google Inc. ("Google"). Google Analytics uses "Cookies", text files that are stored on your computer, to help analyze how users use the website. The information generated by the cookie about your use of this website (including your IP-address) is usually transmitted to a Google server in the USA and stored there. On behalf of the operator of this website Google will use this information to evaluate your use of the website, compiling reports on website activity and providing other with website and internet related services to the website operator. Also, Google is going to pass this information to third parties as long as this is prescribed by law or as long as third parties process these data on behalf of Google. The transmitted IP-address of your browser as part of Google Analytics IP address will not be merged with other data from Google!

You may refuse the use of cookies by adjusting your browser software. However, in case of disabling cookies some features of this website will stop working.

Through the use of this website you agree with the processing of the data, collected about you, through Google as described previously and for the mentioned purpose.

Newsletter

We won't distribute a newsletter.

Your Rights

In general you enjoy the rights of information, correction, deletion, restriction, data transferability, revocation and disagreement. If you think the processing of your data violates against the data privacy law or your data privacy claims get hurt, you have the option to complain by the regulatory agency. In Austria this is the data privacy agency.

In any case we ask you to contact us directly by our given contact information.
